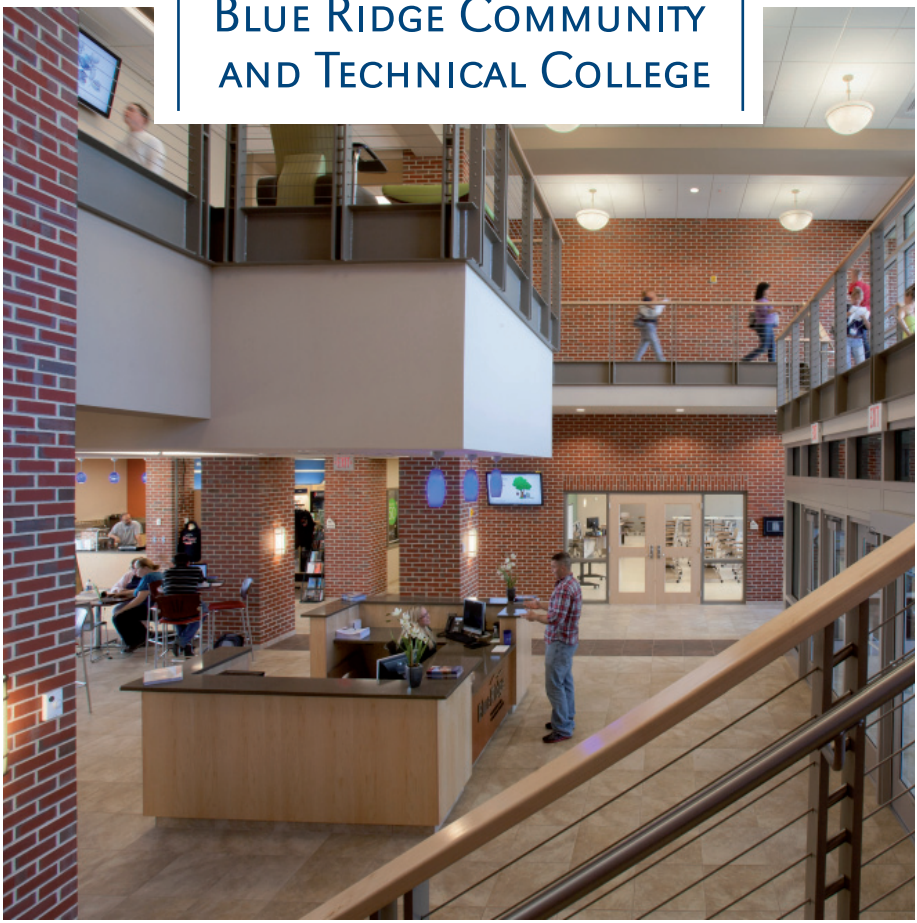
Blue Ridge Community and Technical College



New Main Campus, Martinsburg, WV

Since its founding over 40 years ago, Blue Ridge Community and Technical College has seen continuous growth and increased enrollment. To help meet these needs, the West Virginia Council for Community and Technical College Education hired Hastings+Chivetta, in association with Bastian & Harris Architects, to design a new academic facility for the Martinsburg campus. The three-story building houses the administrative headquarters of the institution as well as classrooms, faculty office suites, science and allied health laboratories, and academic and student support spaces

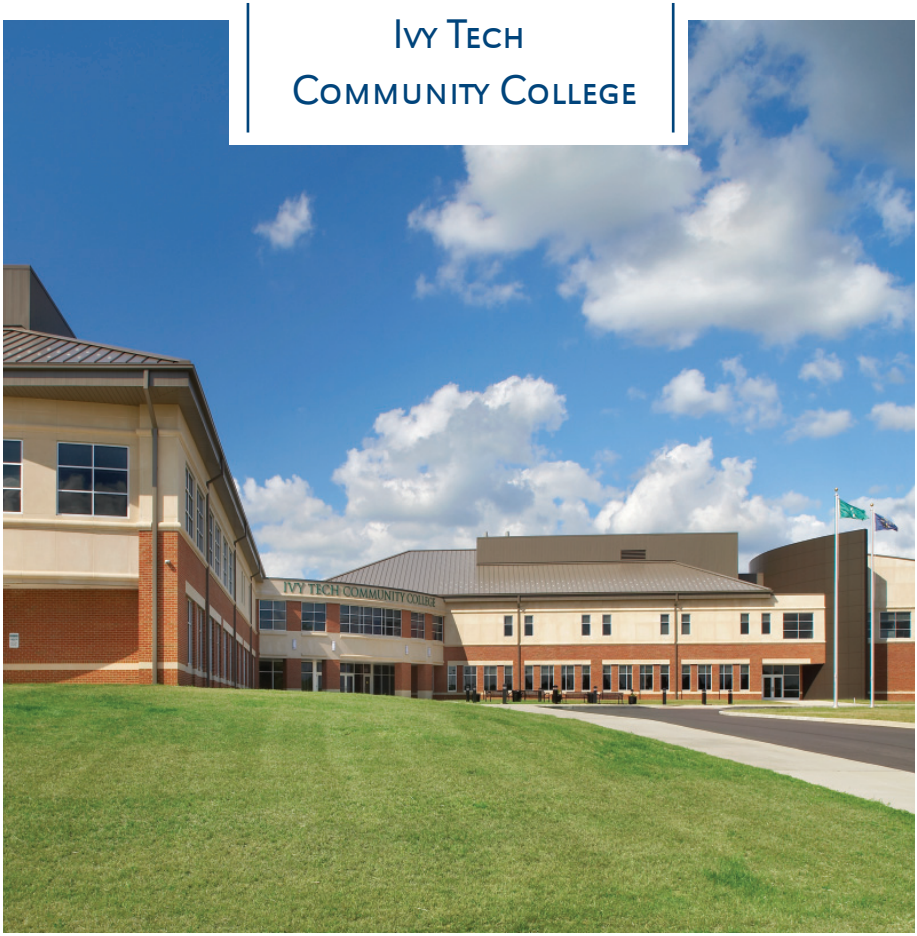
East Central College

Health and Science Building, Union, MO

Serving 3,000 students, the Health and Science Building is the first new building on campus in a decades, and consolidates all science and allied health programs.

Seven laboratories are dedicated to biology, general chemistry, organic chemistry, genetics/microbiology, biotechnology and anatomy/physiology, with accompanying prep rooms and instrument rooms. The facility also has general classrooms, academic computer labs, lecture halls, seminar rooms, and offices with adjacent research labs.

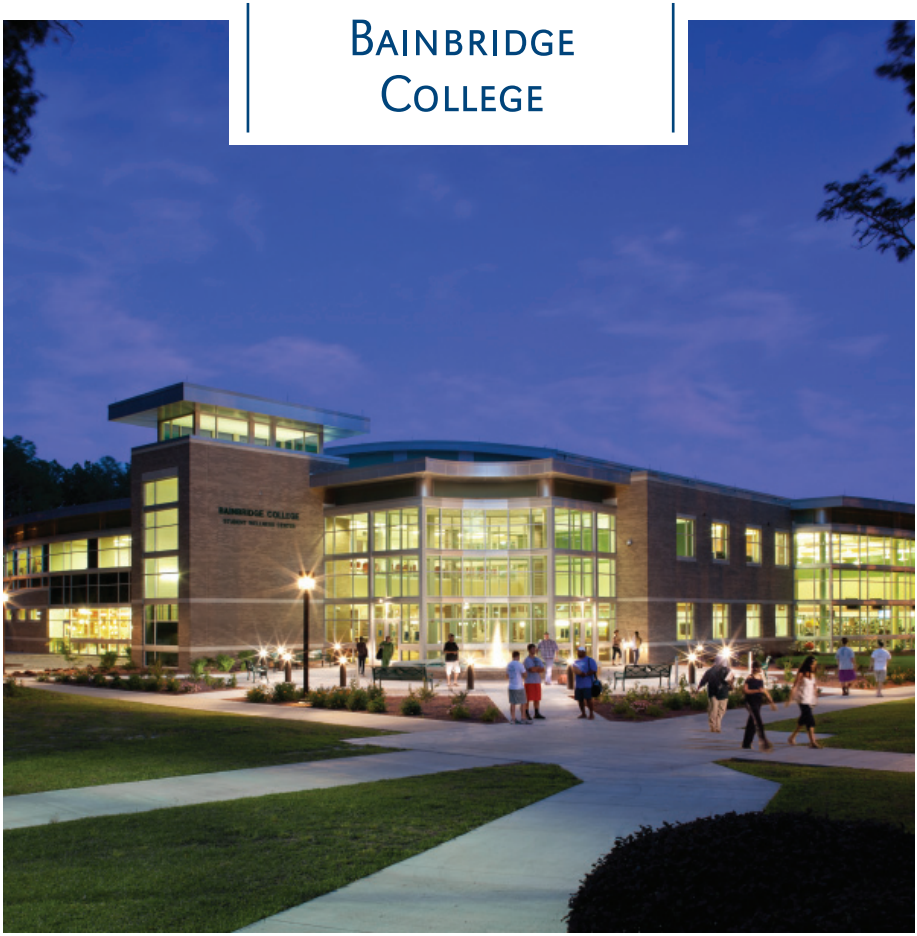
Ivy Tech Community College



Madison Campus Expansion and Renovation, Madison, IN

To meet growing enrollment, Ivy Tech leaders asked Hastings+Chivetta, in association with The Estopinal Group, to program and design a major expansion and renovation of the campus. A two-story addition consisting of two linear academic wings were added to the existing one-story Academic Building. At the center is a new student commons dominated by a skylit rotunda with an adjacent student lounge. New components include a library, classrooms, 170-seat lecture hall and computer labs.

Bainbridge College



Student Wellness Center, Bainbridge, GA

To meet the demands of the increasing student population on the main campus in Bainbridge, a new Student Wellness Center was constructed, designed by Hastings+Chivetta. There is also an addition to the student center at the academic facility, located at a satellite campus in Blakely. Components include a 3,400-seat gymnasium/convocation center, cardio fitness and weights center, multipurpose rooms, locker rooms, media center with a computer lab and reading room, game room, student lounge, food court, offices and support spaces.

About Us

Leaders in Architecture for Community Colleges

Founded in 1960, Hastings+Chivetta has been a recognized leader in the field of educational design for more than 50 years. We have worked on over 200 collegiate campuses in 37 states, including multiple community/technical colleges.

We understand the importance of "hands-on" training and have designed numerous such spaces for our clients. Providing these educational facilities helps to **prepare students for immediate entry into the job market as part of a technologically advanced workforce.**

We create innovative facilities that **promote interaction between faculty and students to create intellectual communities**. Our broad experience, knowledge, collaborative approach and high-quality service, create the cornerstone of our practice:
"Building clients, not just projects."

At A Glance

- Founded in 1960
- National Practice
- Award-winning Designs
- 75% of Projects from Collegiate Clients
- 80% of Work from Repeat or Referral Clients
- 100% of Architectural and Interiors Staff LEED Accredited
- Offer Full Architectural, Interior Design, Engineering and Fundraising Assistance Services
